Dear Holmes,

We have reviewed the DAC's recommended revisions to the Code of Conduct and have no concerns about substance. However, given the audience, we believe the proposed language should be simplified. Please let us know if you have questions or would like to discuss this further.

In addition, we would like to reiterate our previous request for an opportunity to provide you with DOJ's perspective on the redaction issue. Please let us know your availability for a brief call over the next few days.

Best,  
Natane

Dear Holmes,

Thank you for passing along the DAC's recommended revisions to the Code of Conduct. I am copying LDF to ensure that they receive these communications as well. DOJ will get back to you with our thoughts on the recommendation this week.

Best,

Natane

**Subject:** FW: Handbook Revision Approval

I attach the Disciplinary Advisory Committee's recommendation for revision to the 2016 Student Code of Conduct. The revision was suggested by DOJ in our most recent conference call. Note the revision comes directly from the Consent Decree.

We need your approval to make change to Code.

Thanks, Holmes
